Home Occupation Standards

Home occupation standards are intended to ensure compatibility with other permitted uses and with the character of the neighborhood. **If you as a business owner are required to obtain a business license from the Town of Colonial Beach and you are a resident of the Town, and the business address is the same as your home address or your business is operated from your home, then a home occupation permit is required.** This is a zoning permit which allows your business operation to comply with the Town's Zoning Ordinance. The following standards apply to all Home Occupations:

- A. The home occupation shall be clearly incidental and subordinate to the residential use of the property.
- B. The home occupation must be conducted entirely within the dwelling unit or accessory structure.
- C. No employees, paid or unpaid other than individuals residing on the premises shall be engaged on the premises in such home occupation.
- D. No electrical or mechanical equipment shall be employed other than machinery or equipment customarily used in the home or associated with a hobby or a vocation.
- E. The occupation or activity shall not employ machinery or equipment that creates noise, odor, smoke, dust or glare which is dangerous or otherwise detrimental to persons residing in the home or on adjacent property. The storage of hazardous materials shall be prohibited.
- F. There shall be no noise, odor or exterior evidence that the building or its premises are being used for any purpose other than a dwelling.
- G. No advertising sign shall be displayed.
- H. No on premises sale of merchandise, equipment or materials, outside storage or display shall be permitted.
- I. The home occupation shall not exceed four hundred (400) square feet or twenty-five percent (25%) of the floor area of the residence, whichever shall be less.

- J. Such home occupation shall not generate traffic, parking, sewage or water use in excess of that which is normal in a residential district.
- K. No heavy truck or vehicle or piece of equipment having a gross rated carrying capacity or more than one (1) ton (900kg) gross weight shall be parked or stored on or operated from the site in connection with a home occupation unless such vehicle or equipment has been specifically authorized in conjunction with a conditional use permit. This shall not be deemed to waive compliance with Section 2-14 of this Ordinance.
- L. No person shall conduct a home occupation without obtaining the appropriate business license required by law and issued by the Town of Colonial Beach.
- M. Any home occupation with any on-premises customer or client contact shall comply with the parking requirements found in Article 13 of this Ordinance. Otherwise, no additional parking shall be required.

ADDITIONALLY, FOR ANY BUSINESS SELLING FOOD PRODUCTS:

It shall be the responsibility of the applicant to obtain any necessary and/or required approvals from the Westmoreland Health Department and/or the Virginia Department of Agriculture when the home occupation involves the sale and/or preparation of food and/or food services. Virginia food law requires inspections BEFORE the preparation or sale of food or food services. The Westmoreland Health Department is located in Montross and can be reached by dialing (804) and the Virginia Department of Agriculture can be reached at (804) 786-3520.
